

INSANE WOMAN'S RIDE

MRS. BARNES COMES HORSEBACK FROM KENTUCKY TO TIPPECAN.

Mysterious Explosion in Rushville Furniture Factory, and Two Men Injured.

Special to the Indianapolis Journal.

ELWOOD, Ind., Aug. 15.—A wild-eyed woman on horseback arrived day before yesterday at the home of W. H. Barnes, of Tippecanoe county. It was the wife of Mr. Barnes's brother in Kentucky. While in the house she mounted a horse at Cynthia, Ky., where they were married, and rode the whole distance on horseback without meeting with any accident. They formerly resided here in this State a few miles from Windfall and while insane she made a similar ride to Kentucky, where her folks lived. Mr. Barnes has been notified of her whereabouts and will come and get her.

EXPLODED LIKE A BOMB.

Rushville Furniture Factory Narrowly Escapes Destruction.

Special to the Indianapolis Journal.

RUSHVILLE, Ind., Aug. 15.—After being badly injured in an explosion, at a great risk to themselves, John Petty, night watchman at the Rushville Furniture Company's big four-story brick factory, and Patrick Hunt saved the handsome building from destruction by fire. Petty and Hunt were last night making a tour of inspection through the filling room. Passing an old box in which waste material is kept, the contents of the box exploded hurling Petty twenty feet into the air, and Hunt side and face. Hunt was knocked ten feet and rendered unconscious for a time. The contents of the box blazed up and it was as if the factory was doomed. The men ran for a line of hose from the boiler and tried to extinguish the flames. They succeeded in their efforts to save the property of their employers. Petty's burns are serious, but Hunt is not much injured.

Nothing Can Touch the Problem.

Special to the Indianapolis Journal.

WAWASEE, Ind., Aug. 15.—The third race of the Indiana Yacht and Boat Club of Wawasee was sailed here yesterday, before a moderate breeze. Entries were as follows: Problem, Wright of Columbus; Cynthia, Lily of Indianapolis; Mary Louise, Fishback of Indianapolis; and Eleanor, Tucker of Indianapolis. Following is the order of start and finish:

Boat	Start	Finish	Time
Problem	10:10:30	12:10:45	1:57:15

Cynthia	10:12:30	12:12:45	1:59:15
Eleanor	10:13:30	12:13:45	2:00:15

The Eleanor dropped out during the first round, the Mary Louise following in the second leaving Cynthia and Problem. Cynthia at this time had a two-minute handicap over the Problem. The Problem was sailed by Cynthia. The Cynthia was handled by Cynthia, who will probably be her commander in the contest for the trophy, which will take place next week.

Very pretty race was sailed this morning by the Indiana Yacht and Boat Club of Wawasee, this being its fourth race this summer. Entries: Problem, Wright of Columbus; Cynthia, Lily of Indianapolis; Mary Louise, Fishback of Indianapolis; and Eleanor, Tucker of Indianapolis. Following is the order of start and finish:

Severe Storm Damage.

Special to the Indianapolis Journal.

RUSHVILLE, Ind., Aug. 15.—People in portions of Rushville to-day were compelled to wade through water knee deep at their doorsteps on account of the severe storm last night. On North Section street, near the City Park, the city was inundated. In the northeast part of town many of the streets resembled canals. Not until noon did the water abate to any great extent. Last night's storm will not soon be forgotten here. It was the most terrific down-pour of rain ever experienced—almost as heavy as a cloudburst. It swept the country north to south, but seemed to enter in its force about Rushville. The storm-swept area was about twelve miles long, eight miles broad. It seemed to enter in growing corn, together with buildings insured by lightning and trees and fences torn by the wind, will amount to thousands of dollars. A peculiar thing about the storm is that at 3 o'clock this morning the storm was alive with frogs and half-drowned birds, and both popped about in confusion together. The electric light plant was damaged and a part of the city was left in darkness.

Corn-Canning Plant Closed.

Special to the Indianapolis Journal.

DANVILLE, Ill., Aug. 15.—Inability to secure the product on account of the stringency of the money market is having a serious effect on the Illinois canning plants. Yesterday the Hoopeson (Ill.) canning works, one of the best known in the United States, after running two months, was compelled to shut down, throwing over 200 hands out of employment. This plant generally runs eight weeks canning corn, ships it by the railroad to the Pacific coast and other points. The corn in the mill will not be gathered, but will be allowed to rot in the field. The company at Hoopeson will not can any corn this season.

Special to the Indianapolis Journal.

The Democrat is one of the oldest papers in the State.

CAPTURED THE 200 PACE AT FORT WAYNE IN GOOD TIME.

2:17 Trot Taken by Lillian Young, and the 2:30 Trot by Honey C. Close of a Successful Meeting.

FORT WAYNE, Ind., Aug. 15.—The trotting races came to an end with to-day's events. The meeting was a success from every standpoint. The attendance this afternoon was about the same as the previous day. Favorable wind and the race part. In the 2:30 trot a surprise was in store for the bookmakers. Exploit was a hot favorite and Harry C. a long shot, but the latter proved a stayer and won easily. No phenomenal time was made in the racing events, but the sport was of a high class. Summaries:
